

HOW TO DEREGISTER

September 3, 2021

As per the Government of Ontario's September 1, 2021, release, all players in the league will require proof of two vaccinations against COVID-19 in order to enter the recreational facility.

If you registered for the AISL and paid your OS fee before the announcement, and you are unable to meet this requirement, you can request deregistration and a refund of your \$25 OS fee.

Note: OS fees are not refunded for any other reason.

Requests for deregistration that are accepted will see refunds processed by end of September 2021.

To request deregistration and to be refunded your \$25 OS fee, send an email to **Beckwith.AISL@hotmail.com** by the end of the day on **September 10, 2021**, with the following script, inserting your particulars:
