1. League Purpose and Behavioural Standard

League Purpose:

- The AISL was established in 2009 to provide a local and affordable option for residents to play indoor soccer during the winter months.
- The AISL is a skilled league that encourages and expects a sporting and friendly environment.
- The AISL provides a safe and enjoyable environment in which individuals may play indoor soccer. Win, lose, or draw, you are there for an enjoyable hour of soccer.

Behavioural Standard:

- The AISL does not expect that you will like all opposing players or every call the referee makes.
- The AISL expects all players to actively promote the league's safe and enjoyable environment.
- The AISL expects all players to be aware of their on- and off-field behaviour, and the effect it has on other players.
- The AISL expects that all players will show the respect that our game deserves.

Consequences:

In an effort to foster this safe and enjoyable environment, and to promote positive behaviour with opponents and game officials, the AISC (AISL Convenors) may, at its discretion:

- sanction or suspend a player(s) and/or team official(s) for **behaviour contrary to the league's best interests**.
- this individual(s) may be required to attend a reinstatement hearing.

3. Team and Player Registration

- a) Each team can register a maximum of 15 players.
- b) Team registration fee for a 15-game season is \$1850.00 including HST.
- c) For a team of individuals, player registration fee is \$185.00 including HST per player.
- d) All players must pay \$25 to register as an AISL player on the Carleton Place Soccer Club player registration web portal.
- e) Online player registration and player fee payment must be completed prior to a player participating in any AISL match. **Players will not be eligible to play until 24 hours after all forms and fees have been received.**
- f) A player that has an outstanding balance on their account with CPSC, Beckwith Township, or the AISL, will not be eligible to play or be registered with the AISL until the account is brought into good standing. The player will be eligible to play 24 hours (if already registered) to 48 hours (if not yet registered) after the issue is rectified.
- g) **The AISL does not refund player fees. As team fees need to be paid in full, the team in question will be responsible to arrange any player refund.**
- h) A team representative is required to complete and submit the Team Registration Form in its entirety and a Team Roster Form. All players must complete online player registration.
- i) The age for Women's Open and Co-ed is 18 years of age or older. A player must be 18 years of age to be eligible to register. For example, if an individual is 17 at the start of the fall session but is turning 18 in December, then he or she is eligible to register in December when they turn 18.
- j) The age for Men's Old Timers is 35 years and older and Women's Over 30 is 30 years and older. A player will be eligible to participate if he or she is of that age before the start of the next session. For example, if an individual is 34 at the start of the fall session and turns 35 in November, then he or she is eligible to register for the Men's Old Timers division.
- k) Team roster must identify the team's primary goalkeeper. Should this primary goalkeeper suffer a serious and long term injury, the team captain is to contact the AISC immediately to discuss options.
- l) Players can register in multiple divisions, but may only register on one team within each division, unless the two teams play in different tiers.
- m) Fully registered players (see above) may be added each session to team rosters up to game day on week 11 of each division (not on game day), after which rosters are frozen. If roster freeze date is different from this, the official roster freeze date will be listed on the posted game schedule. Teams wishing to add players to their roster after this date must submit a letter to the Adult Indoor Soccer League Committee requesting permission and stating the reason for the request. The decision of the Committee is final.

5. Game Abandonment and Defaults

- a) Any team that does not provide the referee with a copy of their game sheet will default the match **at the discretion of the AISC.**
- b) Any team that has call-up players during a game yet does not complete the Call-Up Information portion of the game sheet will default the match **at the discretion of the AISC.**
- c) If either team is unable to have a minimum of 5 players on the field within 5 minutes after the scheduled start time, the match shall be defaulted by the team who cannot field the minimum required number of players. If both teams cannot field enough players, both teams will be recorded to have lost the match by default.
- d) If, due to injury or dismissals (red cards), a team can only field 4 or fewer players, the match shall be abandoned and default due to insufficient players.
- e) If the game is default due to insufficient players or if 35 minutes or more have been played in a match that is abandoned, the final score shall be recorded as either a defaulted 2-0 or the actual game score at the time of abandonment, if the team forfeiting the match is losing. This final score selected will be the one that provides the greatest goal differential for the winning team (e.g. If the non-defaulting team is winning 5-1 when the match is abandoned, the final score will be recorded as 5-1 as the goal differential of +4 is greater than that of the defaulting 2-0).
- f) Any team that forfeits a match will be subject to a \$40 fine per match, to be paid in cash at Beckwith Township Municipal Office (to be forwarded to the team that did not default/forfeit the match), or directly to the opposing team captain. The fine must be paid no less than 24 hours before the defaulting team's next match, and during business hours. The team will not be eligible to play until the fine is paid. If both team's default, there will be no fine. The opposing team may choose to waive the fine.
- g) Further to the above points, any team that forfeits a match on the same calendar day / within 2 hours of the first scheduled kick-off of the night may be subject to a \$40 punitive fine, **at the discretion of the AISC, in addition** to the standard \$40 default fine.

6. Standings Scoring and Tie-Breaking

- a) Win = 3-points Tie = 1-point Loss = 0-points
b) In the event of a tie in the final standings, the following tiebreaker rules shall apply in order:

2 Teams

1. Head-to-Head competition (goal differential in Head-to-Head games if both teams have the same number of wins in Head-to-Head competition);
2. Most Wins;
3. Goal Differential;
4. Most Goals Scored;
5. Least red cards;
6. Least yellow cards; and
7. A coin toss performed by AISC (lowest alphabetical team name (a-z) is heads, and higher alphabetical team name is tails).

3+ Teams (this is used to break the tie until there are two teams tied – it then reverts to the 2-team tiebreaker above)

1. Most wins;
 2. Goal Differential;
 3. Most Goals Scored;
 4. Least red cards;
 5. Least yellow cards; and
 6. A coin toss performed by AISC (lowest alphabetical team name (a-z) is heads, and higher alphabetical team name is tails).
- h) A match that is forfeited will count as a 2-0 win for the non-forfeiting team, or the actual game score at the time of abandonment, if the team forfeiting the match is losing. This final score selected will be the one that provides the greatest goal differential for the winning team (e.g. If the non-defaulting team is winning 5-1 when the match is abandoned, the final score will be recorded as 5-1 as the goal differential of +4 is greater than that of the defaulting 2-0).
- c) In the event that teams have a different number of games played at the end of a session due to cancelled games, point percentage based on “**2 points for a win**” is used to determine team standings. The following formula is used:

$$\text{Point Percentage} = [(\# \text{ of Wins} \times 2) + \# \text{ of Draws}] / (\# \text{ of Games Played} \times 2)$$
